Call for papers and project presentations for “NU Graduate Colloquium on Computer Sciences”
http://cslhr.nu.edu.pk/GCCS/index.htm

Dear Faculty and Students,

Graduate Colloquium on Computer Sciences (GCCS) is being held every semester providing an opportunity to the students and faculty to present their research work. For the graduating MS students the research work should be based on their MS thesis or project. The paper presentation at the colloquium will be considered as their thesis or project defense. The students whose research work is still in progress and have achieved significant milestones may also submit their work. All the submitted papers must be peer reviewed by the respective supervisor(s). **Best paper award** shall be given to the students based on the presentation and originality of work.

You are invited to submit original research papers, clearly expressing the author’s contribution. The papers should be between 4 to 8 pages in the format specified at http://www.ieee.org/web/publications/pubservices/confpub/AuthorTools/conferenceTemplates.html. The papers should be submitted electronically at adnan.noor@nu.edu.pk with subject **GCCS Submission** stating whether the submitted paper is research paper or project presentation paper. On the colloquium day the students with research papers would be required to present their research work in 30 minutes and the students with projects would be required to present in 10-15 minutes and demonstrate their project in 15-20 minutes. The accepted papers will be included in an internal publication, “Proceedings of Graduate Colloquium on Computer Sciences (GCCS), Department of Computer Science, FAST-NU Lahore, Volume 3, 2010”. Please visit the colloquium website http://cslhr.nu.edu.pk/GCCS/index.htm for details.

The schedule is as follows:

- Paper submission deadline: December 27, 2010
- Notification of acceptance: December 29, 2010
- Colloquium day: January 1, 2011
