Call for papers for "NU Graduate Colloquium on Computer Sciences"

Dear Faculty and Students,

Starting from this year, we are going to organize Graduate Colloquium every semester in which CS graduate students can present their research work. For the graduating students the research work should be based on their MS theses and the paper presentation at the colloquium will be considered as their thesis defense. The students whose research work is still in progress and have achieved significant milestones may also submit their work. All the submitted papers must be peer reviewed by the respective supervisor(s).

You are invited to submit original research papers, clearly expressing the author’s contribution. The papers should be between 4 to 8 pages in the format specified at [http://www.ieee.org/web/publications/pubservices/confpub/AuthorTools/conferenceTemplates.html](http://www.ieee.org/web/publications/pubservices/confpub/AuthorTools/conferenceTemplates.html). The papers should be submitted electronically at GCCS2009@lhr.nu.edu.pk. The accepted papers will be included in an internal publication, “Proceedings of Graduate Colloquium on Computer Sciences (GCCS), Department of Computer Science, FAST-NU Lahore, Volume 1, 2009”.

The schedule is as follows:

- Paper submission deadline: 30th November 2009
- Notification of acceptance and presentations schedule: 15th December 2009
- Colloquium day: 24th December 2009
